OLSEN VINEYARD

The feast of reason and flow of soul brought us to the Yakima Valley Appellation to source Cabernet Sauvignon from Olsen Vineyards. This old block of Cabernet boasts expressive fruit driven intensity, and is perfectly balanced by soft tannins and unctuous texture. This mature vineyard hangs atop a bluff overlooking the Yakima River Basin. From its pinnacle it has optimal sun exposure, benefits from extended hang-time, and full flavor development.

TASTING NOTES

The nose has hints of sweet cherry, vanilla, and currant jam. The palate is full and complex with layers of ripe red fruits, such as, raspberry and cranberry, that fold into dark flavors of blackberries, blueberries and black currants. These are then layered onto cola, cedar and dried herbal notes. This wine finishes boldly with silky tannins that linger and leave you wanting another sip.
