WIT CELLARS AND FLINT NELSON

WIT Cellars is honored to have been selected to create this year's **limited-edition Cougar Collectors' Series, Coug XI**! Flint Nelson, Cat Licano, and Gina Adams—strives to craft exceptional wines for fellow enthusiasts. Being chosen for this series is a privilege that words can hardly capture, especially for our winemaker Flint.

Flint is a Washington State University alumnus that studied horticulture and food science. With his deep understanding of plants and viticulture, anyone who knows Flint knows what he means by "The vines speak to me."
