TASTING NOTES

We're way excited for this one! This Sparkling Blanc de Noir was made Methode Champenoise. This lovely Blanc de Noir has delicate notes of orange blossom that lend a floral elegance, accompanied by the refreshing zest of grapefruit for a vibrant citrus character.

Notes of apple spice introduce a warm depth, layered with hints of cardamom providing a gentle spiciness. The apple spice notes resonate with a slightly creamy texture, while the cardamom lingers, adding an aromatic complexity that elevates each sip.

FOOD PAIRING

These bubbles pair wonderfully with a variety of dishes, from light seafood to spiced desserts, making it a versatile choice for both celebratory occasions and casual sipping.
